# CELEBRATING FIVE DECADES OF GIVING

A community foundation marks the intersection between what a community has and what a community needs. Since its early days, the Community Foundation of Howard County has launched and supported organizations that have made Howard County's vibrant community what it is today. During the past 50 years, hundreds of donor families and businesses have turned to the foundation to personalize the many ways they give back to Howard County and beyond. Help us **REACH MORE. DO MORE.**
